

Ingredients of the ready-to-use product: Water, konjac flour (18% with 95% konjac glucomannan), tapioca starch, tapioca sirup, acidity regulators: calcium hydroxide & citric acid

Cooking instructions: Add one serving of konjac rice (70g) to 3 l water and a pinch of salt. Boil on a low heat for 20 minutes. Drain and rinse the konjac rice under hot water for about 1 min. For the perfect consistency, pack into the saucepan and leave on the warm stovetop for another 10 minutes with the lid closed.
